

LOVE AGREEMENT LETTER

This Agreement ("Agreement") is made on December 25, 2024, by and between:

Party A:

Lisa Menpara
(Hereinafter referred to as 'The Keeper of All That Is Good')

AND

Party B:

Varesh Patel
(Hereinafter referred to as 'Her Eternal Happiness, Chief Mischief Maker, and The One').

Purpose of Agreement:

WHEREAS Lisa has decided to claim her rightful place as the Empress of Varesh's heart and universe, and Varesh willingly surrenders himself because resisting would be both futile and silly, this Agreement is entered into for eternity.

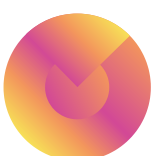

SECTION 1: DEFINITIONS OF LOVE

1. Lisa's Love:

- A force more powerful than gravity, designed to pull Varesh closer every second.
- Includes, but is not limited to: relentless care, endless affection, and an ability to decode your moods even when you say, 'Kuch nahi.'

2. Varesh's Role:

- To be the sun to her mornings, the calm to her storms, and the one who keeps that adorable smile reserved only for her.

SECTION 2: TERMS & CONDITIONS

1. Ownership Rights:

- Varesh's heart, laughter, and every little 'elloo' belong exclusively to Lisa. Any unauthorized transfer will result in a non-refundable penalty of Lisa's silent treatment, which can only be lifted by heartfelt apologies, surprise cuddles, and a declaration that 'Tu hi meri duniya hai.'

2. No Ghosting Zone:

- Varesh agrees to reply to Lisa's texts immediately, even if he's mid-movie, mid-game, or mid-dream. Lisa's messages are your top priority because, let's be honest, no one texts you as cutely as she does.

3. Date Obligations:

- Impromptu coffee dates, ice cream trips (yes, both will have it this time), and endless walks where Varesh holds Lisa's hand like it's the only thing keeping him grounded.

4. Emergency Hugs Clause:

- Varesh shall always be available for a hug when Lisa says, 'I need you.'
- Bonus hugs will be provided on days when Lisa feels low or extra clingy.

5. No Borrowing Allowed:

- Varesh cannot, under any circumstances, share or lend Lisa's love to anyone else. Her love is a one-user license, lifetime activated, no sharing policy.

SECTION 3: COUPLE GOALS

1. Future Dreams:

- Building a love story so extraordinary that even strangers will say, 'Yaar, in dono jaisa pyaar chahiye.'
- Traveling to all those places Lisa has saved on Pinterest (and smiling when she makes you pose for photos).

2. Sacred Traditions:

- Always dancing to 'Har Din Har Pal' like the world is watching, and we don't care.
- Never sleeping angry, no matter how heated the debate about pineapple on pizza gets.

SECTION 4: PENALTIES FOR LOVE CRIMES

1. Penalty for Making Lisa Jealous:

- Immediate confiscation of all Varesh's 'me time.' He will spend every second proving why Lisa is the only one who deserves all his attention.
- Mandatory 'prove your love' challenge, involving 50 forehead kisses, 10 whispers of 'You're the most beautiful,' and a dramatic 'I can't live without you' declaration.

2. Penalty for Ignoring Texts:

- Varesh must plan a surprise date within 48 hours, complete with flowers, her favorite snacks, and a cheesy love letter starting with, 'I couldn't stop thinking about you.'
- Late-night cuddle sessions are non-negotiable until Lisa is fully convinced he's sorry.

3. Penalty for Forgetting Important Moments:

- Varesh must recreate the missed moment (even if it means staging an impromptu anniversary on a random Tuesday) with candles, soft music, and endless hand-holding.
- Bonus: Lisa gets to steal his hoodie as a trophy for being forgetful.

4. Penalty for Being Too Cute Around Others:

- Varesh must endure Lisa's jealous-but-smirking interrogation while cuddling her tighter than usual.
- He is also required to say, 'Baby, you're the only one I'm this cute for,' at least five times to neutralize the crime.

5. Ultimate Penalty for Major Offenses (Like Thinking of Leaving):

- Varesh owes Lisa 1,000 uninterrupted hugs, 500 cheek kisses, and a one-hour tickle fight where she wins.
- Additionally, he must hold her hand every time they're together for an entire month and whisper, 'I'm so lucky to have you' every morning and night.

SECTION 5: MISCELLANEOUS

1. Eternal Validity:

- This Agreement is non-negotiable, irreversible, and eternal, unless Varesh dares to bring another 'Queen' into the story. (Spoiler: he won't.)

2. Secret Clause:

- Lisa may pout and act annoyed sometimes, but she secretly adores you more than words can ever capture.
