

LOVE AGREEMENT LETTER

This Agreement ("Agreement") is made on December 25, 2024, by and between:

Party A:

Lisa Menpara
(Hereinafter referred to as 'The Keeper of All That Is Good')

AND

Party B:

Varesh Patel
(Hereinafter referred to as 'Her Eternal Happiness, Chief Mischief Maker, and The One').

Purpose of Agreement:

WHEREAS Varesh acknowledges that Lisa completes his universe and adds sparkle to his life, and Lisa embraces all his quirks with love and patience, this Agreement is entered into for eternity.

TERMS & CONDITIONS OF FOREVERNESS

1. **Varesh's Signature Phrases Clause:**

The terms *"We'll figure it out," "Breathhhh," "Joi laisu," "Shant,"* and *"Eventually"* are sacred. Under no circumstances can they be banned, mocked, or rendered ineffective. Lisa must honor these as Varesh's ultimate calming mantras, effective in all situations.

2. **Anger Clause:**

If Varesh gets upset and says something hurtful, Lisa must understand that it's temporary. Let him calm down (preferably with coffee), and all will be resolved with love and hugs.

3. **Insecurity Clause:**

If Lisa makes Varesh feel insecure, a reasonable penalty will follow. This may include extra reassurances, forehead kisses, and the declaration: *"You're my one and only."*

4. **Varesh's Calming Rights:**

Varesh reserves the right to calm Lisa down with his magic words (*"Shant"* or *"Breathhhh"*) during any moment of chaos. These must not be interrupted or challenged but accepted as ultimate wisdom.

RELATIONSHIP GOALS

1. **Happiness Obligations:**

- Varesh promises to always keep Lisa laughing, even during the toughest days.
- Lisa will allow Varesh to steal fries and hoodie-snuggle privileges as a reward.

2. **Adventure Goals:**

Together, they'll explore Pinterest-worthy destinations, engage in impromptu adventures, and Varesh will (begrudgingly but lovingly) agree to pose for all Instagram-perfect pictures.

3. **Rituals:**

- Every stressful situation will be followed by Varesh's calming mantra ("*Joi laisu, breathhhh*"), a hug, and Lisa's smile.
- No sleeping angry—blanket-stealing battles will be resolved with cuddle agreements.

PENALTIES FOR LOVE CRIMES

1. **Silent Treatment:**

Lisa must accept Varesh's dramatic puppy eyes and grant him unlimited cuddle passes until balance is restored.

2. **Excessive Pouting:**

For every pout that lasts longer than necessary, Lisa owes Varesh three forehead kisses and must say, "*You're adorable*" at least twice.

3. **Forgetting Varesh's Coffee:**

If Lisa forgets Varesh's signature coffee (1.5 tablespoons of Nescafé, buffalo milk), she must endure dramatic sulking until a perfect replacement is made.

4. **Breaking the Joi Laisu Clause:**

Any attempt to discourage Varesh's use of "*Joi laisu*" or "*Shant*" will result in a 24-hour cuddle marathon where Lisa repeatedly whispers, "*You're always right.*"

MISCELLANEOUS PROMISES

1. **Spontaneous Love:**

Varesh will continue surprising Lisa with love notes, unplanned dates, and thoughtful gestures. Lisa, in turn, will let Varesh win (occasionally) during playful arguments.

2. **Private Affection Clause:**

While public displays of affection aren't their style, Lisa and Varesh agree to cherish private moments of love—like holding hands during movies, unexpected hugs, and sweet whispers meant just for each other.

3. **Forever Clause:**

Varesh and Lisa are each other's constants. Varesh belongs to Lisa, and Lisa belongs to Varesh—forever, no take-backs.

4. **Conflict Resolution Clause:**

Disagreements will be resolved with a calm conversation and, when necessary, Varesh's signature phrases like "*Joi laisu*" or "*Eventually.*" A cup of coffee or a tight hug will seal the peace treaty.

5. **Shared Happiness Clause:**

Both Varesh and Lisa will prioritize creating happiness for each other—be it through supporting dreams, cheering for small wins, or simply being present during life's highs and lows.
